

Petra High Mileage Oil Treatment

PN 1005 (12oz) Specification Sheet

Product Description:

Petra's High Mileage Oil Treatment is designed to be used with every oil change to help reduce low compression, smoking, blow by and oil burning symptoms of old, worn engines. Petra's Oil Treatment will coat moving parts with a tough film that decreases friction and increases power. Petra's Oil Treatment contains a synthetic polymer and additives which will improve the viscosity index of motor oil.

Advantages & Uses:

- Helps reduce low compression in worn engines
- Reduces smoking, blow by and oil consumption
- Ideal for older, high mileage vehicles

Features:

- Quiets noisy engines
- Reduces engine wear
- Reduces oil consumption
- Coats moving parts to decrease friction and increase power
- Improves viscosity index of motor oil
